

AFFIDAVIT IN SUPPORT OF APPLICATION FOR ARREST WARRANT

I, Michael Deterling, being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Department of Homeland Security (DHS), Homeland Security Investigations (HSI), currently assigned to the Assistant Special Agent in Charge (ASAC) Office in Cleveland, Ohio. I have been so employed with HSI, and its predecessor agency the Immigration & Naturalization Service (INS), since September of 1996. As part of my daily duties as an HSI Special Agent, I investigate criminal violations relating to child exploitation and child pornography including violations pertaining to the illegal production, receipt, distribution and possession of child pornography, in violation of 18 U.S.C. §§ 2252(a) and 2252A. I have received training in the area of child pornography and child exploitation and have had the opportunity to observe and review numerous examples of child pornography (as defined in 18 U.S.C. § 2256) in all forms of media including computer media.

2. I am an “investigative or law enforcement officer” of the United States within the meaning of Section 2510(7) of Title 18, United States Code, and am empowered by law to conduct investigations of, and to make arrests for, offenses enumerated in Section 2516 of Title 18, United States Code.

3. This affidavit is being submitted for the limited purpose of establishing probable cause that Tyrin B. DAVIS, age 20, currently residing at 25550 Shoreview Avenue, Euclid, Ohio 44132, has induced or enticed a minor to engage in the production of child exploitation material in violation of 18 U.S.C. § 2251(a)(sexual exploitation of a child).

4. The statements contained in this affidavit are based upon my personal knowledge and observations, my training and experience, conversations with other law enforcement officers and witnesses, and the review of documents and records. This affidavit includes only those facts that I believe are necessary to establish probable cause and does not include all of the facts uncovered during the investigation.

RELEVANT STATUTE

5. This investigation concerns alleged violation of:

- a. 18 U.S.C. §§ 2251(a), which prohibits a person from using, persuading, inducing, or enticing a minor to engage in sexually explicit conduct for the purpose of producing visual depictions of such conduct, as defined in 18 U.S.C. § 2256(8); & the depictions were produced using materials that had been mailed, shipped or transported in interstate or foreign commerce.

PROBABLE CAUSE

6. Homeland Security Investigations, Office of the Assistant Attaché Toronto (HSI Toronto) received an investigative lead from the Toronto (Canada) Police Service (TPS), Internet Child Exploitation Unit (ICE), regarding a 13-year-old female victim that had been enticed and extorted into sending multiple sexually explicit images of herself via the Instagram and Snapchat internet applications. For the remainder of this affidavit the victim will be referred to as “MV-

1.” The perpetrator in this matter, known by the victim as "Ryan", was believed by MV-1 to reside in the United States. Due to his posted profile pictures, MV-1 believed the suspect to be a white male between 16-20 years of age.

7. In relation to this investigation, Affiant received and reviewed the Toronto Police Service (TPS) reports relating to their investigation of this matter, including MV-1's statement. As of the date of the initial report, the male suspect reportedly used several phone numbers to contact the victim as well as several Instagram and Snapchat accounts which are listed below:

Phone Numbers:

- #1. 216-647-1321 (Cleveland Ohio area code)
- #2. 716-216-2355 (New York area code)
- #3. 863-213-0713
- #4. 321-406-2565 (Florida area code)

Instagram Accounts:

- #1. Ryancrew69
- #2. Coolkid891
- #3. Moneystorm300
- #4. Thingswillgetbetter321

Snapchat Accounts:

- #1. Torichtocare1
- #2. Swagmonkey1998

8. According to TPS reports, on May 3, 2018, MV-1 and her mother went to the Toronto Police Service to report an ongoing extortion. Officers spoke to MV-1, who advised that at some point within the last year she began corresponding with a male (hereafter "Suspect") on Instagram. During this time the Suspect sent a message stating that if MV-1 were to send nude photos of herself to him he would pay her \$1000. MV-1 advised that her parents were going through a financial rough patch and she thought that by sending the photos she could do her part to help her parents out. MV-1 eventually sent a few nude photos of herself, at which point the Suspect began to send her messages asking for more photos of her. MV-1 advised that the

Suspect who called himself “Ryan,” would send photos of other girls in certain positions and tell her to take photos of herself in the same positions. She advised that the Suspect said that if she did not send more photos he would post the ones that she had already sent online for the world to see. As a result, MV-1 complied and sent more photos of herself to the suspect.

9. The Suspect continued to send demands for photos, and he eventually obtained MV-1’s phone number and began to send text messages to her. Once MV-1 realized that things had gone too far she attempted to stop the correspondence, but the Suspect said he would send the photos to her friends and family. MV-1 advised that approximately 1 month prior to her initial police report, the Suspect sent nude photos of her to several of her friends on Instagram and then changed his main profile picture to a nude photo of her. On the date of the initial police report an Instagram query by TPS of user “Thingwillgetbetter321” revealed the main profile image to be of MV-1’s buttocks in her underwear.

10. MV-1 estimated she sent approximately 20 images and at least 2 videos. Furthermore, MV-1 advised that she had also been nude while video chatting on “Facetime” with the Suspect.

11. The report further indicated that one of MV-1’s friends, who will be referred to as MV-2, was one of the recipients of MV-1’s photos. MV-2 received a message from the Suspect indicating that she also had to send nude photos of herself or she would end up like MV-1. As a result, MV-2’s mother learned of the incident and took her daughter to Durham Regional Police (DRP) to file a police report.

12. A supplemental TPS police report, dated June 25th, 2018, indicated that Detective Constable (DC) Boyko of the TPS Child Exploitation Section, received additional information from MV-1 on this matter. MV-1 advised that on that day her cousin, hereafter known as MV-3, was on Instagram and was sent messages from a user who advised that he was going to post

images and expose MV-1 if MV-3 didn't send him a nude picture. MV-3 advised that she sent the Suspect a link instead, which he clicked on twice. The link exposed his I.P. address -- 173.91.241.125 -- which she believed to be coming out of the Cleveland, Ohio area.

13. In relation to this investigation, your Affiant received and reviewed various chat evidence obtained by the TPS from an examination of the victim's smart phone device. The earliest discovered evidence was a KIK chat string dated October 2, 2017, between MV-1 and "torichtocare", aka "Newkik Crankplayer". An excerpt of this chat is as follows:

Torichtocare: "Send it lol"

MV-1 (sent unknown video attachment): "It's not sending", then "Nvm"

Torichtocare: "Your supposed to get naked"

MV-1: "U said teasing you"

Torichtocare: "Yeah slowly pulling them down"

MV-1: "Sry is it still god tho"

Torichtocare: "Kinda"

MV-1: "Ok u wanna finish this tomorrow?"

Torichtocare: "Whatever"

MV-1: "I'm sry I'm kinda tired"

MV-1: "What do I send tomorrow?"

Torichtocare: "Just shake your butt in bed", "I'm videos", "In"

MV-1: "OK I'll send like 3 videos tomorrow?", "And then do I get the money?"

Torichtocare: "If I cum..... and tomorrow"

14. In addition, the TPS also provided an Extraction Report containing 17 tags that were created on July 25, 2018, during an examination of MV-1's smartphone. Contained within this Extraction Report are text communications between MV-1 and the Suspect who was utilizing telephone number 863-213-0713. These communications appear to have occurred on or around April 28, 2018. An excerpt from these chat communications follows:

Suspect: "You up?"

MV-1: "Take the fucking pic of my ass off ur profile", "U know u can get sued"

Suspect: "Unblock my number"

MV-1: "I'm texting u aren't I?"

Suspect: "The 216-647-1321"

MV-1: "Why", "Who's number is this"

Suspect: "Why can't you just do it?"

MV-1: "Tell me who's number this is"

Suspect: "What do you mean"

MV-1: "U have texted me off 3 numbers", "Like wtf"

Suspect: "Obviously a different number"

Suspect: "You do know it's a app correct", "Unblock the number"

Suspect: "Since you lied I'm sending it to one person"

15. Also contained within this Extraction Report was a screenshot of an Instagram instant message posting that MV-1 appears to have received from Instagram user “checkdmsXXXX” (redacted) on or about May 5, 2018. This posting contains two separate images, one that appears to be MV-1’s buttocks with pink thong underwear, and the other depicting a shirtless MV-1 with her face and breasts visible. The second image has been slightly modified to depict MV-1 with a cartoon animal nose.

16. In addition, your Affiant was also provided with various e-mail communications between MV-1 and law enforcement relating to this investigation. One such email, dated June 26, 2018, from TPS DC Dayna Boyko to TPS DC Christopher Jodoin indicated that MV-1 had reported that the Subject had tried calling her the previous night, but MV-1 had not answered the call. MV-1 further notified law enforcement that the Suspect had recently changed his Instagram account name to “lol12901_”. Another email string, dated from June 26, 2018 to July 10, 2018 and with the Subject line “More Info Please...”, contained correspondence between DC Boyko and MV-1, as well as DC Boyko and DC Jodain. This email string indicated that on July 9, 2018, MV-1 sent an email to DC Boyko that appears to contain screenshots of recent Instagram instant messaging communications between MV-1 and the Suspect who was using the Instagram account “lol12901_”. Within the early part of the instant messaging communication is an extremely faint recording of a date which is believed to be July 1, 2018. The beginning of the conversation contains a large thumbnail image indicating that MV-1 appears to have sent a video of herself wearing underwear and a pink t-shirt, and slightly bent over with her buttocks towards the camera. An excerpt of this communication is as follows:

Search on Shoreview Avenue, Euclid, OH 44132

30. On January 30, 2019, search warrants, authorized by United States Magistrate Judge William H. Baughman, were executed on Shoreview Avenue in Euclid, OH, as well as on the person of Tyrin B. DAVIS. The warrants were executed without incident and five (5) total items (3 smartphones and 2 laptops) were seized. DAVIS was located, and he voluntarily agreed to be interviewed in relation to this investigation.

31. DAVIS quickly surmised the predicated reason for the investigation and search warrants, correctly identified the victim by name, and demonstrated knowledge that he knew the victim is currently 14 years of age. DAVIS admitted previous contact with MV-1 via various social applications and electronic means, including Instagram, Snapchat, text and Facetime. DAVIS admitted to creating his previously known Instagram accounts including: “coolkid891”; “ryancrew69”; “moneystorm300”; “thingswillgetbetter321”; “lol12901_”; “havingfunlmao”; “checkdmsXXXX”(redacted); “crewking69” and “vipmode200”. DAVIS advised that his last time on Instagram was the previous evening. DAVIS admitted that he had sent harassing messages to followers of MV-1 “a couple days ago” and stated that he believed he had sent these

threatening messages to at least 5 total people to attempt to force MV-1 to make contact. DAVIS was able to identify MV-1's Instagram account from memory. DAVIS also confirmed creatorship of the Snapchat accounts "swagmonkey1998" and "torichtocare1".

32. DAVIS admitted that his iPhone devices would contain sexually explicit images of MV-1. DAVIS indicated that he possessed images depicting the victim's breasts and genitalia, including full nudes. DAVIS claimed most of his contact with MV-1 occurred on his previous iPhone that was found on the dresser in his bedroom in a blue colored case. DAVIS admitted that he had also used his new iPhone, that had been on his person when encountered, to attempt to contact MV-1. When asked about the extent of his online distribution activity, DAVIS claimed to have sent nude photos of MV-1 to approximately 10 other people, all of which were friends or followers of hers on social media.

33. DAVIS agreed to voluntarily submit to a polygraph interview in furtherance of this investigation. As a result, DAVIS was introduced to FBI Special Agent (SA) Lance Fragomeli, a certified polygraph examiner. During the pre-test interview DAVIS admitted to initiating online contact with MV-1 in 2016 or 2017 when she was 12 or 13 years of age. DAVIS further admitted that he knew MV-1 is currently 14 years of age and resides in Toronto, Canada. DAVIS confirmed that he maintained contact with MV-1 via Instagram, Snapchat, KIK and texting. During these conversations DAVIS requested from MV-1 that she send nude and sexually explicit images and videos of herself, in which he initially offered to pay her money. DAVIS claimed to have never paid any money to MV-1 for the images or videos. As a result, DAVIS obtained full nude images of MV-1, as well as images of her breasts, buttocks and vagina. DAVIS further admitted to directing MV-1 to produce sexually provocative "twerking" videos. MV-1 sent DAVIS videos of her "twerking" both clothed and naked. DAVIS also

admitted that he had received videos of MV-1 in the act of masturbating. DAVIS stated that during 2018 MV-1 informed him that she had acquired a boyfriend and would no longer be sending sexually explicit images or videos. As a result, DAVIS indicated that he began to threaten and engage in the cyber bullying of MV-1 in order to continue to receive sexually explicit material. DAVIS confirmed that he threatened to retaliate, if she refused to continue to provide sexually explicit images of herself, by posting past nude images of MV-1 to her friends and followers. DAVIS indicated that MV-1 would sometimes comply with his demands by providing more sexually explicit material. At other times MV-1 would not comply to DAVIS' threats. DAVIS admitted that he did indeed follow through with his threats on some occasions by sending nude images of MV-1 to some of her friends. DAVIS claimed to have last received sexually explicit content from MV-1 during July 2018. DAVIS indicated that he saved all of MV-1's sexual images and videos on his iPhone. In his statement DAVIS admitted that he had masturbated to the sexual images and videos sent by MV-1. He further admitted that he knew MV-1 was under 18 years of age and that he had caused her emotional distress.

34. During the post-test interview, DAVIS added that he had solicited others via the internet for sexual images and videos of themselves. DAVIS claimed that he didn't specifically know the ages of these other persons but believed that approximately 10 to 15 of these individuals were possibly under 18 years of age at the time they sent him sexually explicit material. DAVIS claimed that he could not recall any other names but that some of these images or videos could be stored on his phone.

35. On January 30, 2019, an initial preview was initiated of a small portion of the forensic data obtained from DAVIS' iPhone device that he indicated was the primary device he utilized to communicate online with MV-1. A review of this data indicated that the device does contain

sexually explicit images of MV-1. The viewed images include various depictions that appear to depict MV-1, including some clothed in underwear and shirt or bra, as well as images depicting the victim's breasts, her buttocks (bare and wearing underwear), and her body fully nude. In addition, four of these images depict the buttocks and genitalia of an early pubescent female, believed to be MV-1. One of these images may be further described as follows:

- This image depicts the rear view of a bent over early pubescent female wearing only a light and dark blue colored bra. The female's buttocks, anus and vagina are clearly visible in the image. Available EXIF data and background cues indicate that this image was taken in series in the same bathroom with other images on July 1, 2018.

CONCLUSION
